Remarks please turn over

Expiry of Validity from January 23rd 2009 to January 22nd 2010

Certificate No. 070/09/E/CH

Issued on February 17^h 2009

General requirements
p.t.o.

Signature(s)

Seal

Certificate no. 070/09/E/CH

General requirements

1. Before carry-out welding works this certificate - either as certified copy or photo copy - should be submitted to the competent authorities issuing the building permit.
2. For advertising or other purposes this certificate may only be duplicated or published in full. The wording of the advertising material must not be in contradiction to this certificate.
3. If the welding supervisor(s) mentioned in this certificate are no longer with the company, if there are changes in the welding process or in essential parts of the facilities necessary for the welding works, the inspecting authority has to be informed. If considered necessary a new inspection of the company will take place.
4. In case of doubt regarding the verification of the company an inspection and checkups in the plant by the inspecting authority without prior announcement is being reserved.
5. This certificate may at any time and with immediate effect be withdrawn - without compensation - supplement or modified if the conditions under which this certificate has been issued have changed or if the requirements laid down in this certificate have not been adhered to.
6. At least two months before expiry a new application has to be submitted to the inspecting authority if the qualification should be certified once more.

Remarks:

- The requirements for supervision inclusively visual examination acc. to element 1218 are fulfilled by Mr. Dipl.-Ing. Stumm, Wolfgang and Mr. Dott. Maspero, Francesco.
